LIABILITY

Wildplaces Africa draws your attention to the fact that there are certain inherent risks involved in participating in the type of safaris sold and operated by the Company and that, by making payment for all of the safari cost, you are thereby accepting responsibility for these entirely at own risk. Neither the Company, its employees, nor suppliers can be held responsible for any accident, injury, illness or death sustained during the course of the safari, whether or not this accident, injury, illness or death is deemed to be caused through negligence on the part of the Company, its employees or suppliers. Wildplaces Africa does not accept responsibility for any theft or loss of personal belongings that occurs while clients are staying either at Wildplaces lodges or on any service provided by Wildplaces Africa or through any service booked by Wildplaces Africa and provided by a third party supplier. All clients are strongly advised to insure themselves and their property fully for the duration of the safari

PHOTOGRAPHY

The Company reserves the right to make use of any photography or film taken on the safari for general publicity purposes without payment or permission from the client or tour operator.

FORCE MAJEURE

These uncertain times require more flexible T&C's and therefore this clause has now been added to this contract. We will monitor and adjust the situation regularly in order to provide guests both flexibility and security.

This set of terms will be under constant review. Once these conditions are removed, any booking still to travel or made under the auspices of these terms and conditions would be replaced by our standard terms and conditions - (see above)

Provisional bookings: Any booking made 61+ days prior to arrival may be held for 20 days. We reserve the right to revert to our standard provisional hold policy at our discretion. If the Company receives a confirmed request for the dates /rooms being held, we will require you to either confirm your booking with a deposit within 5 working days or to release those rooms to the waitlisted booking.

Deposit: 20% of total reservation cost is due within 14 days of confirmation in order to secure booking.

Non-refundable deposits are essential for lodges like ours (small, exclusive and remote) to facilitate stock management and operational costs. There are ongoing, yearly community and conservation commitments and fees. Deposit payments ensure that we can continue to do this even in the lowest of seasons.

Balance: Full balance is due no later than 25 days prior to arrival

Cancellation Policy (excluding groups)

Between Confirmation and 25 days prior to arrival	• 100% Refund through credit note
Between 24 days and 7 days prior to arrival	• 50% Refund through credit note
Between 6 days and arrival	• 25% Refund through credit note
Cancellation during travel or stay	• 15% credit for any unused for future travel for any of our Properties

POSTPONEMENT OF TRAVEL

We much prefer guests to postpone than cancel, if at all possible. For that reason, the Company will not be charging any additional costs for postponement, and will match the seasonal rate (ie adjust down from high to low and up from low to high) where necessary

These revised terms only apply in case of:

- International border closures
- Substantial quarantine requirements.
- Flight suspensions

The Company reserves the right to ask for any reasonable evidence, written statements and or documents to support the reasons for cancellation that are given.

- Any variations from the above terms and conditions are at Wildplaces Africa discretion and we reserve the right to amend or withdraw the terms and conditions without prior notice
